Certificate

of Correction

Dear Sir:

It is requested that a Certificate of Correction be issued to correct two errors found in the above-identified patent. Please note that the errors incurred through the fault of the Office in omitting an Examiner's amendment to claim 1 and amendment to claim 6. The Examiner's Amendment of September 28, 2004 inserted the word "only" in the seventh line of claim 1 between "extending" and "from". The claim listing in the August 20, 2004 Amendment shows the first word of claim 7, which became claim 6 in the patent, changed "The" to "A". The correction should be as follows:

Column 7, line 58, claim 1, after "extending" insert "only";¹
Column 8, line 19, claim 6, change "A" to --The--.

The error occurred on the part of the Office and is clearly disclosed in the records of the Office. As such no fee is required. Accordingly, attached hereto is a Certificate of Correction, in duplicate, which indicates the requested correction.

Respectfully submitted,

CAHN & SAMUELS, LLP
